

FIRE FLASH® GAMMA

Art. No. 503005

CE 0193 EN 15090:2012 HI3 CI CR SRC - type F2A

CE EN ISO 17249:2013 AC:2014 - LEVEL 2

Leather thickness 2,5 – 2,7 mm, Chainsaw protection Class 2, waterproof and breathable with GORE-TEX® Performance, leg height 28 cm, antistatic, sole 011

Available sizes EU 36 – 47, Extra large sizes EU 48 – 50

HAIX® MSL System

Heel bend

Cut Protection Class 2

Upper Material

Waterproof leather, hydrophobic, breathable (5,0 mg/cm²/h), 2,5 – 2,7 mm thick.

Cut Protection

Protection against cuts certified with cut category 2 (24 m/sec., chainsaw speed).

Inner Lining

GORE-TEX® Performance; waterproof and breathable. Highly abrasion-resistant lining with fleece midlayer. Optimized climate comfort for all year seasons and excessive use. Increased chemical protection.

Non-woven insole

Non-woven insole absorbs moisture.

Foot bed

Anatomically formed, exchangeable, washable, very good moisture absorption, dries quickly.

HAIX® Protective steel toe cap

Anatomically formed and well-padded metal protective toe cap.

HAIX® Protective sole

Flexible protective throughsole.

Sole

Foam/rubber, highly wear-resistant shell sole with a street/terrain tread, high temperature strength and good bending comfort. Ladder rung tread with pronounced heel front. Fuel-oil resistance and non-marking characteristics. Compliant with EN ISO 20345:2011 / EN 15090:2012

HAIX® Climate System

The HAIX Climate system uses the pumping movement, which permits air circulation with every step – warm air is released and fresh air comes in through the vent holes at the top of the boot.

HAIX® Lacing System

The patented, externally positioned shoe band with inner-lying crossovers reduces danger of hooking.

HAIX® MSL System

MicroSoftLight: Improved damping, extremely low weight due to the PU foam across the entire sole area, good cold/heat insulation.

Sun Reflect

Reduces the heating effect of the upper leather by direct sunlight. Sunlight is reflected by the leather, keeping the leather and the feet cooler.

Others

Leather loop at the zipper, zipper reinforcement, zipper cover, zipper fixing: HAIX® EasyZip (replaceable), pull-on loop at the back, laces and all stitching made of NOMEX®, lace fixing and pull-on loops, reflective strips, rubber toe cap, heel inlay and inlay construction around tongue.
